

3b Moralność Pani Dulskiej

Scena VIII

Hesia

Get dressed, Ofelia, quick. The boys are already going to school.

Mela

Hesia, You won't be batting your eyes at this tall student.

Hesia

I'll be doing what I want.

Mela

I'm ashamed of you.

Hesia

So, be ashamed. Try to say something to mum, and I'll tell her that you sigh instead of sleeping at night. Mum will be more angry with that than with the case of the student.

Mela

I doubt it.

Hesia

But, I don't. Mum knows me and she believes that I know the limits and I won't lose myself.

Mela

How do you understand it?

Hesia

I already know what I'm saying, you lelija from family fields

Dulska

Come and see the ladies off

Hanka

I'm coming

Dulska

Do you have an umbrella?-go straight, don't look back. Remember-modesty, a girl's treasure.

To Hesia

Don't sloop

Hesia

Take! You crazy weirdo. Goodbye mummy.
